1. Two references obtained by the club and kept on file

- At least one reference be obtained from the official's former club
- The reference cannot be provided by someone at the new club
- The references should be from people who are NOT family members
- The references should be from people who have seen the official work with children/young people previously

2. Officials need to complete the online declarations

There are four declarations:

- Code of Conduct (re-signed every year)
- Self-Declaration Form (re-signed every year)
- Official Declaration (re-signed every year)
- Fair Processing Notice (once, upon joining)

3. Officials need to complete the online course 'Children's Wellbeing in Scottish Football' as well as Mental Health E-Learning Course

- The course has to be completed every three years
- CWPOs also have to complete 'Managing Children's Wellbeing'

4. Successful PVG

- This refers to a SWF PVG certificate - it does not matter if an official has a club PVG, SYFA PVG, work PVG etc - it must be obtained by SWF
- PVG must be renewed every three years

- The PVG is approved 'successful' by SWF – it is not enough that the Official has received it themselves
